

Marriage Matters
Homework Week 2

To Discuss With Others

Last week we learned that our relationship with our spouse is a window into what?

What can transform and redeem a marriage?

Has anyone ever surprised you in showing you love? How?

On Your Own: Spotting Idols

Often when we overreact or something it's a clue that there is an idol involved.

Can you think of a recent time in your marriage when you overreacted?

If you were angry, how do you feel?

If you were afraid, why?

Worshipping God Changes Us-

Think of one or two attributes of God that you appreciate.

Take some time to meditate on them.

Look for them in your Bible reading this week.

Thank God-and ask God to help be more like Him.

What are ways you find it easy to love?

What are ways you find it difficult to love?

How easy or hard is it for you to believe that God loves you even when you fail over and over again?

What would it look like to trust more in Jesus and his love for you?

How might help you think and act differently?
