

Marriage Matters
Homework Week 3

What are you like when you're alone?

How are you different when you're around others?

Why is there a difference?

**Do you think marriage and relationships make us better
or worse as people?**

What do you think it means to become more like Jesus?

Does that sound good or bad to you?

Do you think it might mean that your personality would disappear?

Which statement more accurately describes your attitude:

"I want my marriage to serve my purposes?"

"I want my marriage to serve God's purposes?"

If you believed that God's greatest good for you in marriage is to make you more like Jesus, how would that change your attitude?
